

GRAHAMSTOWN PETITION regarding STRAY DOMESTIC LIVESTOCK

We, the undersigned, call upon Makana Municipality to uphold and enforce its Impoundment of Animals By-law dated 2007. We require that Makana properly maintains suitable pounds for the storage of impounded cattle, goats and donkeys as prescribed. We further require that Makana advertises the full contact details of the Makana Pound-Master, and ensures that all livestock found wandering within the urban boundaries of Grahamstown (to include Joza) are taken to the appropriate pound without undue delay. This Petition runs from 25th August to 16th September 2016.
